## August 21<sup>st</sup>, 2022 Pageant Day!!!!

I know schedules are very busy this time of year. It's not required but highly recommended to attend as many practices as possible, especially the first practice. **Contestants must attend at least one non-mandatory practice.** The mandatory practice on August 21<sup>st</sup>, 2022 will be an actual run through of the pageant with all Miss, Little & Junior Miss contestants practicing on stage at the fairgrounds. The time is TBD, but it will be in the AM.

At this time both groups will practice together. If there are an abundance of contestants in one or both groups, I will split the practice times so each group doesn't have a long wait time between groups. I will let you know if the schedule changes.
