*** Attendance to every practice is NOT required but is recommended ***

August 15th practice is MANDATORY!!!!

August 16th, 2024 Pageant Day!!!!

I know schedules are very busy this time of year. It's not required but highly recommended to attend as many practices as possible, especially the first practice. **Contestants must attend at least one non-mandatory practice.** The mandatory practice on August 15th, 2024 will be an actual run through of the pageant with all Miss, Little & Junior Miss contestants practicing on stage at the fairgrounds.

At this time both groups will practice together. If there are an abundance of contestants in one or both groups, I will split the practice times so each group doesn't have a long wait time between groups. I will let you know if the schedule changes.
